FEATURES & DETAILS

The Troy Fitness Cerakote Olympic Bar delivers great performance and durability you can depend on. Bronze bushings, which provide a friction-less spin, reduce wear and tear. The cerakote coating prevents rust and maximizes the life of this bar. The custom color options also allow schools to show their pride with a variety of chip-free color options. These Olympic bars are designed and built for any athletic or commercial facility.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
