FEATURES & DETAILS

The new TROY Blackwing bar is made in the USA. With a U.S. lab tested yield strength of 213,300 P.S.I., this bar is in a class by itself - so impressive, we put the TROY badge on it as the established benchmark for American made training/power bars. It can be put into any application without worry, and is virtually maintenance free. Perfect for use in a professional, college or high school weight room setting.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
