## FEATURES & DETAILS

The TROY POWER BAR is made in the USA, with an uncompromising commitment to quality. It sports a very aggressive knurl pattern and bronze, oil impregnated bushings for a smooth, maintenance free spin. A superb 202,800 P.S.I. yield strength squarely places it among the strongest bars being manufactured in the industry today. Other exclusive features of AOB-2000T include double snap ring sleeves, and 16.50 in. of loadable sleeve length. Perfect for use in high performance, university or college weight room settings due to its rust resistant, bright zinc finish.

## Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
