

VTX

BARBELL HALF RACK

SKU: BB-5-MBLK

PRODUCT SPECIFICATIONS

Product Dimensions:

Length: 29.5 in. (750 mm)

Width: 30 in. (762 mm)

Height: 59.8 in. (1519 mm)

FEATURES & DETAILS

The Troy Fitness Half Barbell rack is constructed using sturdy steel tubing with a wide stable base. Designed to be a compact storage solution, the rack keeps 5 fixed weight barbells organized and safely stored within a small footprint. Urethane hooks extend along the front of the rack to minimize the impact on the bar knurling to protect equipment and add durability.
