FEATURES & DETAILS

The premium rubber used in our Competition Bumpers allows them to withstand 30,000 drops. They have a dead blow when dropped, with very little bounce. A larger, solid steel core creates a thinner and more durable plate, while a precise 50.2 mm center hole provides a snug fit on the bar. Available in: 55 lb, 45 lb, 35 lb, & 25 lb. Accurate to within a 1% (+ or -) weight tolerance.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
