FEATURES & DETAILS

Introducing our robust Commercial 15 Pair Rack, featuring a sturdy 3.5 mm thick steel tube capable of supporting an impressive 3,000 lb of dumbbells. The scratch-resistant, powder-coated finish adds durability, while anatomically angled tiers ensure easy access, making the DR-15 the strongest rack in our lineup. Durable plastic saddles not only protect dumbbells but also minimize noise in the most demanding fitness facilities. Elevate your weight storage solution with the strength and functionality of the Commercial 15 Pair Rack.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
