FEATURES & DETAILS

Our VTX mobile bumper plate rack is the perfect storage solution to keep bumpers off the floor or take the place of a stationary rack that occupies too much space. Once done with the plates, simply stack them on the base, insert the pole and locking pin and roll it away on 4 heavy-duty casters that come standard with the unit.

WARRANTY INFORMATION

VTX products come with a full 1-year warranty against manufacturer defects or breakage through improper use by the end-user in light commercial setting. This 1-year warranty does cover in a light commercial setting. Rubber products may carry a slight odor. This odor should be considered normal and will not be covered under warranty.
