SKU: G-PR-3010

TROY[®]
BARBELL & FITNESS

PRODUCT SPECIFICATIONS

Height:	93 in.
Length:	49 in.
Width:	36.4 in.
Weight:	268 lb
Color Options:	Black, Red, & White

Includes:	• 4 Uprights • 5 Crossmembers • Straight Pull Up Bar • Pin/Pipe Safety Arms • Pair of J hooks
-----------	---

FEATURES & DETAILS

The Troy Fitness Apollo Power Rack is our base power rack system designed with safety and modularity in mind for athletic and commercial facilities. Each column features uniform holes on every side to allow for multiple configurations and attachment setups. The adjustable height safety bars provide versatility in use, whether that is squats, presses, or bodyweight exercises. Featuring 3 in. x 3 in. 11-gauge steel with oversized 1 in. diameter hardware, this rack is built to stand alone or bolted onto flooring.

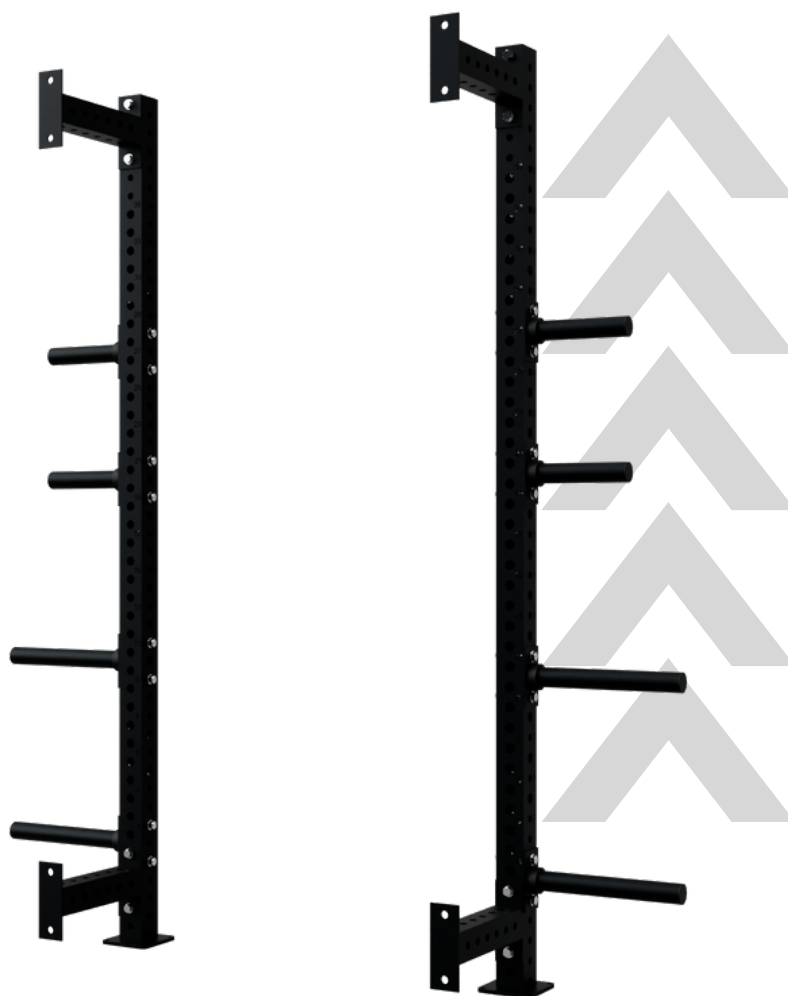

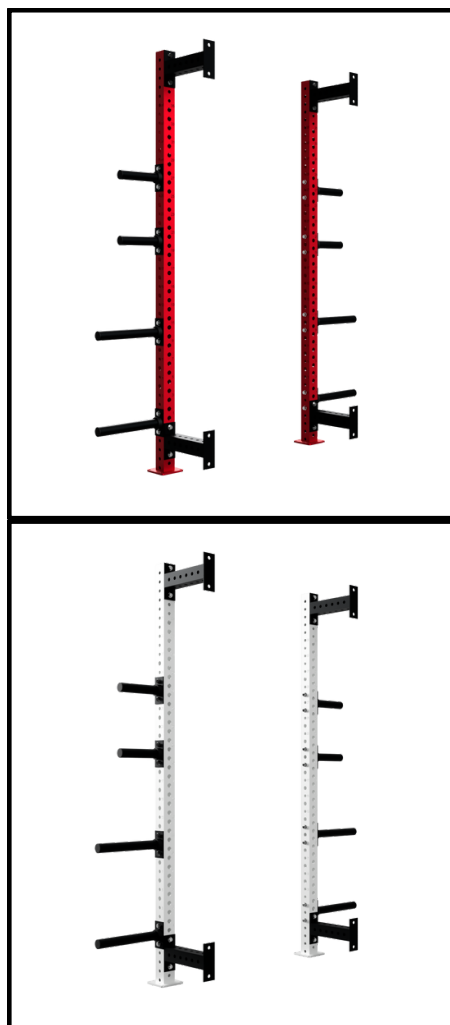

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.

POWER RACK-WEIGHT STORAGE UNIT
