FEATURES & DETAILS

Upgrade your workout experience with our Hanging Exercise Mat, expertly designed for both comfort and convenience. At 8mm thick, this high-density foam mat offers the ideal balance of cushioning and support, making it perfect for yoga, stretching, and strength training. Able to be hung on a wall or rack storage, keeping your space tidy and your mat accessible. A non-slip, lightly textured surface ensures stability on a variety of flooring types, while the durable, sweat-resistant material stands up to daily use and cleans easily with a quick wipe. Whether you're at home or in a studio, this mat delivers the comfort, functionality, and smart storage you need to stay focused and organized.
