FEATURES & DETAILS

Build core strength throughout the full range of motion with our VTX Medicine Balls. Constructed with durable rubberized shells, these balls are ideal for wall throws, partner drills, and use with the VTX Rebounder/Trainer (G-REB). Each ball features a textured surface for a secure, reliable grip during training. The VTX Medicine Ball Rack (GMBR-6) provides a convenient storage solution.

*Not intended for overhead slamming exercises

WARRANTY INFORMATION
