FEATURES & DETAILS

The heavyweight of our lineup. These GO-U “Quiet Iron[®] EZ-lift” grip plates are encased in the best, most durable cast polyurethane (CPU) available today, making them virtually indestructible and maintenance free. Less porous than rubber, they are also more hygienic and odor resistant. Our patented interlocking feature facilitates easier lifting and loading from any position allowing the user to safely load more plates onto machines and bars. These olympic plates maintain a 2% accuracy level consistent with all of our Troy commercial plates.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
