FEATURES & DETAILS

Our 6ft lightweight aluminum Olympic bar is only 18 lb. It is designed as a training bar for beginning lifters wishing to master different types of lifts while maintaining proper form. The shorter sleeve length of 8.7 in., allows it to have a 52 in. distance between the collars, making it compatible with most Olympic-size benches. Durable zinc finish.

WARRANTY INFORMATION

VTX products come with a full 1-year warranty against manufacturer defects or breakage. This 1-year warranty does cover in a light commercial setting. Rubber products may carry a slight odor. This odor should be considered normal and will not be covered under warranty.
