

6' OLYMPIC BAR
SKU: GOB-72

FEATURES & DETAILS

This versatile, space saving bar has a 51 in. spread between the collars allowing it to be used with either mid-width or wide benches. Bronze bushings for a smoother rotation and a snap ring sleeve design (no end bolt) are functional specs most often found on higher priced, commercial bars. These features help make it a durable option for in home or even light institutional settings. 350 lb static weight capacity.
