FEATURES & DETAILS

Our high-grade machined interlocking grip plate is made out of highest quality ASTM Grade 20 cast iron and is designed to be used in the heaviest situations. The interlocking feature allows the user to safely load more plates onto machines and bars to maximize workouts. This unique feature makes TROY plates easier to lift and load. Our olympic GO plates are designed to maintain a 2% accuracy level, plus or minus.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
