FEATURES & DETAILS

The 2nd generation TROY Body Bar features a solid steel core for evenly distributed weight and covered in a smooth coating for added comfort and long lasting durability. An improved handle end grip provides better control and function. Each bar features a vibrant color and displays the size and TROY name. The TROY Body Bar is ideal for group exercise classes and performing exercises such as squats, lunges, and step ups for total body conditioning.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
