Durability

Welded head VS bolted head.

Anti - Roll Design

6 sided design to prevent from rolling.

FEATURES & DETAILS

Our versatile USA rubber encased hex (6-sided) dumbbells are designed for home gym use, but can be used in a variety of settings. Solid, anti-roll heads are securely affixed to all steel, chrome, contoured handles via a friction weld. Their durable rubber surface dramatically reduces noise, while helping to protect floors and equipment.

WARRANTY INFORMATION

All USA Sports, Inc products come with a 90-day warranty, against breakage through proper use to the original owner and does not cover normal wear and tear. This warranty does not cover products placed in a commercial setting.
