**SKU: MDR-NPAC**

### **PRODUCT SPECIFICATIONS**

## **MDR**

**Weight: 82 lb**

**Length: 42 in.**

**Width: 22 in.**

**Height: 46 in.**

**GTD (1-10 lb)**

**Weight (total): 404 lb**

## **FEATURES & DETAILS**

Our MDR-NPAC Aerobic Pac accommodates 43 pairs of branded VTX neoprene dumbbells: 14-1 lb, 12-2 lb, 18-3 lb, 16-5 lb, 14-8 lb & 12-10 lb. Our versatile MDR rack comes complete with a locking bar (padlock not included) to prevent unwanted removal of the dumbbells.

Options include heavy duty casters for mobility, and an under-accessory rack to store 6pr of heavier dumbbells.

## **WARRANTY INFORMATION**

VTX products come with a full 1-year warranty against manufacturer defects or breakage through proper use by the end-user in light commercial setting.
