FEATURES & DETAILS

The Pro Force Sled is a versatile, plate loaded training tool with a robust 450 lb weight capacity. Available with sled skis or wheels in the front, and multiple grip positions, this sled can be utilized for traditional sled work or wheelbarrow carries. Compatible with Olympic plates, this sled is perfect for athletes seeking functional strength, explosive power, and conditioning all in one compact, durable unit.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
