FEATURES & DETAILS

Our Rubber Encased Barbells are all pre-assembled to meet the standards required for any commercial application. All of our pro style barbells use solid steel bolt design. These barbells consist of straight or curl bars and feature deep set knurling for functional performance and top-of-the-line TROY rubber-encased plates. The rubber-encased end caps include the TROY name and numbers for easy identification.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
