FEATURES & DETAILS

Our rubber encased TROY pro style dumbbells are all pre-assembled to ensure that they meet the standards required in heavy use commercial applications. All of our pro style dumbbells use solid steel bolt design; bigger, longer and stronger than the competition. These dumbbells consist of straight or contoured handles that feature special deep set knurling for functional performance and our top of the line TROY rubber encased plates. The rubber end caps include the TROY name and numbers for easy identification. Available in 2.5 lb increments starting at 5 lb up to 52.5 lb and in 5 lb increments up to 120 lb.

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
