FEATURES & DETAILS

The new Troy 3-in-1 Plyo Box (TPC-G2) is a high-quality Box that is built strong with an inner wood core that's covered in a soft but Dense foam. The foam helps absorb your body's impact, whether you miss or make the jump. The Wooden Core and dense Foam also add significant weight to the Box and helps prevent tip over. The vinyl cover is textured to reduce slipping of your feet and to keep the box in position on the floor.
