FEATURES & DETAILS

Bring your facility's identity to life with our 12-Sided Solid Steel Dumbbells, featuring an extensive selection of custom color options to create a look that is uniquely yours. Whether matching your gym's branding, school colors, or personal style, you can customize your dumbbells to make a lasting impression. Beyond their standout appearance, these premium dumbbells feature durable polyurethane construction surrounding solid steel heads, a welded sleeve design for exceptional structural integrity, and a 34 mm solid steel handle finished in hard chrome for lasting performance and a comfortable grip. Built to withstand demanding workouts, they deliver the perfect combination of personalized style, durability, and performance for commercial facilities, schools, and home gyms.

Anti - Roll Design	Laser-cut Urethane

Warranty Information

TROY warranty is for 5 years. TROY guarantees all products from the date of shipment to be free of materials defects. The warranty extends to the original consignee or end-user only. The warranty only covers failures due to material defects or workmanship that occurs during regular use. It does not cover product failures due to misuse, negligence, misapplication, modification, or normal wear and tear.
