# BARBELLS & STORAGE

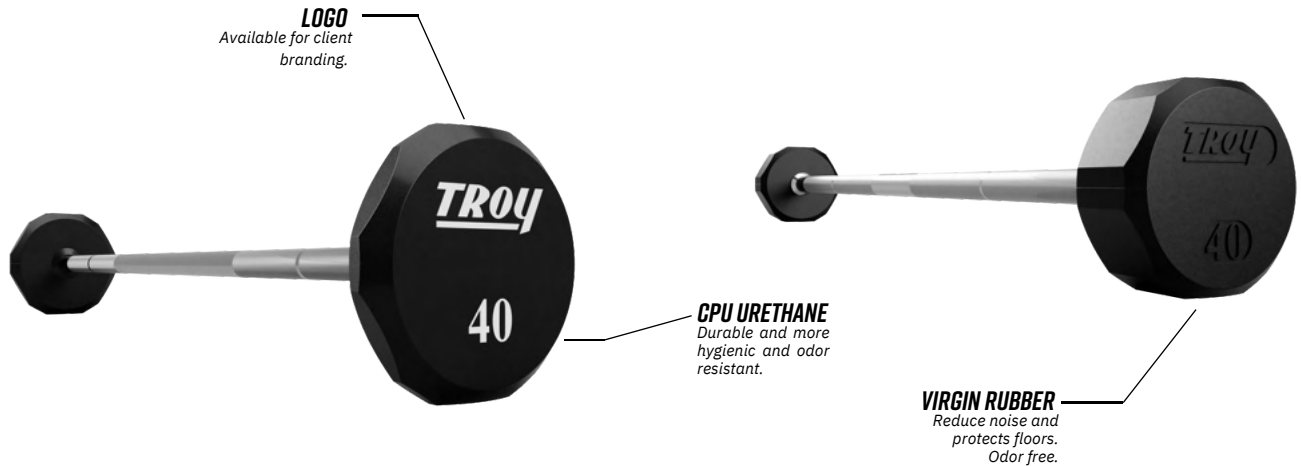

## **10 BB-5 - BARBELL HALF RACK**

The Troy Fitness Half Barbell rack is constructed using sturdy steel tubing with a wide stable base. Designed to be a compact storage solution, the rack keeps 5 Fixed Weight Barbells organized and safely stored within a small footprint. Urethane hooks extend along the front of the rack to minimize the impact on the bar knurling to protect equipment and add durability

**11 | TSB-U/TSB-R - 12 SIDED STRAIGHT BARBELL**

Our patented 12-sided Straight Barbell features a solid steel head encased in Urethane and Rubber that is securely attached to a hard chrome, steel bar.

**12 | TZB-U/TZB-R - 12 SIDED EZ CURL BARBELL**

Our patented 12-sided EZ Curl Barbell features a solid steel head encased in Urethane and Rubber that is securely attached to a hard chrome, steel bar.

**13 BB-10/BB-10-MBLK - HORIZONTAL BARBELL RACK**

Our redesigned Horizontal Barbell Rack is dual sided and can hold 10 fixed barbells or fixed curl bars. The chrome wear-guard adds to the striking look of this barbell rack.

# BARS & PLATES

- 14 AOB-1500T - Blackwing Bar
- 15 BPO-SBP - Black Premium Rubber Bumper Plate

## 14 AOB-1500T - BLACKWING BAR

The new Troy Blackwing bar is 100% manufactured in the USA. With a U.S. lab tested yield strength of 213,300 P.S.I., this bar is in a class by itself - so impressive, we put the Troy badge on it as the established benchmark for American made training/power bars. It can be put into any application without worry, and is virtually maintenance free. Perfect for use in a professional, college or high school weight room setting.

## 15 BPO-SBP - BLACK PREMIUM RUBBER BUMPER PLATE

The Troy Black Premium Rubber Bumper Plates provide the perfect mix of performance with low bounce to protect gym flooring. Molded from the highest-grade rubber over a solid cast iron core and precision-milled steel hubs. Designed with raised weight numbers for easy identification. These plates are available in four colors for each weight.

**LOGO**  
Available for client branding.

**BUMPER PLATES**

***16 | PO-SBP - COLOR PREMIUM RUBBER BUMPER PLATE***

The Color Premium Rubber Bumper Plate provides the perfect mix of performance with low bounce to protect gym flooring. Molded from the highest-grade virgin rubber over a solid cast iron core and precision-milled steel hubs. Designed with raised weight numbers for easy identification. These plates are available in four colors for each weight.

# CRUMB RUBBER BUMPER PLATES

## 17 | GO-CBP - USA CRUMB RUBBER BUMPER PLATES
